The Girls' Cross Country Team this year was one which distinguished itself and Treynor. Gail will tell us about these girls & records.

**SPECIAL:** Sat., Dec. 1--Right after Club Meeting MEMBERS OF BOARD OF DIRECTORS will meet with officers of the Town & Country Club to discuss the annual Horse Show which has been sponsored by the Town & Country Club. OTHER BOARD business will be transacted also. NOTE: If you are interested in this activity, you are invited to attend this meeting along with Board Members!!  
-----We hope you plan to attend! This will be an important meeting for us!!

**PLACE OF MEETINGS EACH WEEK:** The Dairy Sweet will be our meeting place every week. Doug and Carol will start opening for business in the mornings every Saturday. The Tropics Cafe will be closed. We will still need your personal reservation each week. Remember to call Walt Glade. (Calling committees are not to function.)

**REPORT ON NOV. 24 MEETING at Genos:** President Gene presided.

14 members were present. The Thanksgiving Holiday weekend took its toll as we anticipated at the meeting Nov. 17. According to reports the quality of the meeting was not diluted through the reduced attendance!! Some say it possibly was enhanced. Since your Editor was not present, he does not choose to "touch" that statement!!!

Chaplain Ken Graham provided the invocation followed by the Pledge of Allegiance. Tom Ryan's Football Pool results: 4th-Rick Morton; 3rd-Lou Haack; 2nd-Keith Fairbairn; and 1st-Al Strobbeln. Since none of the winners were present, the total of \$6.00 was forfeited to the Youth Activities Fund!!

Sgt.-at-Arms Howard Knox was active: If you admitted to have had turkey at any time during the week for a meal, it cost you 25¢. Wearing of pins is still important when fines are considered. (ask Howard) Also, calling by 8:00 pm for breakfast reservations is important. (ask Keith Denton)

**PROGRAM:** A short film with title: AGRIFUTURE was shown through cooperation of Gene Grell, Howard Knox, Keith Fairbairn, and Les Harvey. Considerable discussion followed the film. In this age of technology, exciting and almost unbelievable things are happening in agriculture as in most other areas of our society. If you missed this film, you may want to plan to use it at some future date. It is available through Ron Enger's Media Center Film Library.

**REMINDER:** Treynor's next bloodmobile visit is Dec. 19 at St. Paul's Church in Treynor. If you haven't been involved in the past and if you are eligible, this is your opportunity to get involved. Re: Geri Nelson's program: Blood is a critical element in the lives of many people daily. Over 5,000,000 pints were collected and used last year!!

**COMMITTEE ASSIGNMENTS:** YOUR CHOICE PLEASE!!

Your Board of Directors would like your "feed-back" concerning your choice of Committee to work on during the remainder of this year. (Thru Sept. of 1985)  
----Attached to this bulletin is a page with questions on it. If you will answer the questions seriously and return the paper to one of your officers, it will be very helpful. Please do this by Dec. 8, 1984!!  
----We are asking for the names of your spouse and children also. We feel we need this information to plan meaningful socials for our Club Members & family.  
----We are also interested in your vocation with a brief description.  
-----All information is to assist your officers & committees in their work!!
