Chaplain Ken with fine invocation. 22 members present plus three guests: Tim Bottoms with Steve Stover and Don Goos with Dave Sevcik and our Treyvor Record Editor, Wendy. Randy Donahue has birthday this week; Rich Poland and Jim Carmicheal joined Chuck Branham on Committee working with Treyvor Jr. Women on the Bike Safety Program. THIS WILL BE MAY 11 AND WE NEED HELP. Charles Branham forfeited \$5.50 on attendance drawing; if you didn't know March 28 was our Club Anniversary, it cost you according to Sgt.-At-Arms Howard. Sec/Treas. Dave "complained" that not one member offered to take him to lunch for "National Secretary's Week." Al Strohhahn reported on the Oratorical Contest last Saturday. Fritz Holst reported on his attendance at the Charter Party for the new River City Optimist Club. He reports a very fine party. That Club started with 35 Charter Members and now have added 18 more. 143 people attended and they collected \$184 for the Youth Fund for the Club. NOTE: A soccer tournament may interfere with our "Bike-A-Thon" on May 18--If so, it was decided to hold it May 19--Sunday afternoon. Hold the Date! Al Strohhahn reported on progress on planning for the Horse Show July 13. ----- PROGRAM: Steve Stover held the attention of the group for over 45 minutes with the story of the history and work of the Soil Conservation Program in the U.S. This was a complete and very interesting report on an important historical development over the past 50 years. The impact this program has had and is having on our society in almost every walk of life was little realized by most of us present. A valuable and educational program! THANKS STEVE!! Thanks also for bringing Tim. Did you get a membership form for Tim?
