2nd Ed.--32nd Issue--May 9, 1985--Editor Les Harvey, Box P, Treyvor, Ia. 51575---Iowa District

CLUB MEETING: May 11, 1985 at Short Line Cafe (New Name for Dairy Sweet)--Meet at 7:00 a.m. to eat. Adjourn to Game Room at 7:30 for meeting and Program.

PROGRAM: Will have our "call" from the Avon Ladies Shirley Koehler and Vicki Woods. (Bring your credit cards.) This will be of special interest to us. Most of us know little of these entrepreneurs except for the "cheery greeting."

IN ADDITION: Two of our outstanding young people in Treyvor (Mark Green and Sheila Koehler) have "gone after" the honor of touring with "UP WITH PEOPLE" and have won the privilege of doing so. Mark will start in July of 1985 and Sheila will begin in July of 1986. When this outstanding development comes about for these two young people, IT ALSO COMES ABOUT FOR THE COMMUNITY. Most people in Treyvor will want to be a part of this development in the next two years. -----THESE TWO WILL BE PRESENT AT THE MEETING SATURDAY to explain what is to happen and they will be offering us an opportunity to BECOME A PART OF IT, through assistance in raising the tuition needed. (\$5,000 each).

BOARD OF DIRECTORS MEETING--May 11, 1985 Immediately after regular meeting adjourns at the Short Line Cafe. Board Members encouraged and everyone welcome.

May 11, 1985--Bicycle Safety Program--Sponsored by the "Junior Treyvor Women." We have agreed to "lend them a hand" and they report that they can use a "LOT OF HELP." -----We hope you will plan to help. BE AT THE ELEMENTARY SCHOOL BY 8:30 if possible (a.m. that is). If not possible, then as soon after that as is possible.

OH YES! Mother's Day will still be celebrated this "busy week end." The busy schedule will offer OPTIMISTS an opportunity to prove they can rise to the occasion and do more than one project a day!!

FUTURE MEETINGS: May 19, 1985--Sunday PM (INSTEAD OF MAY 18) This will be our annual St. Jude's Bike-A-Thon "ramrodded by Bryce Strohbehn and Dean Fajen." Some of you have signed up to help. We need about 15 more of you. In order to assure maximum safety and success, we need many persons to help. It only takes about 90 minutes and requires no prior planning on your part. Let Bryce or Dean know you will be there. (They will sleep better between now and then knowing adequate help will be on hand.)-----May 25 Terry Lindsley of Council Bluffs will bring the Disaster Unit from the Red Cross and provide the program. ----June 1 Keith Lambertson will review the events leading up to the Horse Show July 13 and will outline our duties both at the Show and between now and then.

REVIEW OF MAY 4 MEETING--President Gene presided as 19 members and one guest gathered for breakfast, fellowship, and educational experiences. Guest was Larry McAlexander who has committed to becoming our newest member. Good news Larry!! -----Announcements were made concerning the May 11 Bicycle Safety Program and the May 19 SUNDAY "Bike-A-Thon." (See above.)-----Richard and Betty Poland had an anniversary this week. Congratulations!-----Walt Glade says work is progressing on plans for the 1st Annual Charter Banquet Anniversary. It will probably be in June and as originally proposed last year, at the Lutheran Church. (Note: this is not definite at this time.)-----Keith Denton won about \$4.75 in the attendance drawing. (There is some confusion as to the amount of money since we have a rumor that part of the payment was in "questionable currency."-----Keith was also awarded the dubious honor of assessing fines for the day. Another rumor has it that Keith may become the Sgt.-at-Arms when the new regime assumes power in October. The "exercise today" was for practice as we understand. ---In discussion the members were unanimous in expressing a desire to assist Mark Green raise the tuition for his tour with, "Up-With-People" starting in July. HOWEVER, there was not a consensus on how to do it, how much, etc. Members were asked to think about it this week and be prepared on May 11 to propose some significant action for our Club. (See info. in May 11 meeting announcements above) ----PROGRAM: Ms. Theresa Jacoby presented an exceptionally interesting program dealing with "Life & Death." The subject was unique and of immediate concern to everyone present. The many questions asked by members documents the level of interest the group had. THANKS THERESA FOR YOUR EARLY MORNING EDUCATIONAL IMPACT ON OUR LIVES!!
