ABOUT MERLYN GREEN, our newest member: On Sept. 8, 1985 Merlyn will travel to Rockford, Illinois where he will continue his career work with Winnebago Farm Services.-----
----Some of us are aware of this impending move but most of us do not have the details concerning the move. The move is necessary if Merlyn wishes to maintain his position with the Company since the local position is being phased out. The position is significant and Merlyn has worked diligently to achieve his present level of employment. Merlyn, Barbara, Mark, Bruce, and Valerie enjoy living in Treyvor and do not want to leave. Barbara and the children will remain here during the 1985-86 school year so that Bruce can graduate here. -Next Spring the family will move to Rockford or a neighboring community. Those of us who know Merlyn and the family know that they will generate many wonderful friends in their new home AND THEIR FRIENDS IN TREYNOR will always be their friends. -- Our loss will be the gain for Illinois! TO MERLYN WE SAY: We hope you join a local Optimist Club in Illinois and remember us as you move into your new life!!

AL STROHBEHN TO HOSPITAL: Monday evening Al was taken to Jennie Edmundson Hospital by the local rescue squad. We do not have any further details.

-----to be so strong that nothing can disturb your peace of mind!
