CLUB MEETING--September 16, 1985--MONDAY---REPEAT: MONDAY!! At Short Line Cafe. Eat at 6:30 pm and then meeting & program in Game Room at 7:30 pm.

PROGRAM: Mrs. Charles Pomernackas and son Neal will describe their experience this summer in the Annual Bike Ride Across Nebraska. This mother and son "duo" provide an inspiration to many people who would like to take part in such events but haven't developed the "courage" to do so. Neal and his mother participated in the Treyvor Annual Road Run Sept. 7, 1985 also!!

Your presence at this meeting will be an encouraging factor to youth and you will enjoy hearing of the exciting and interesting events along the way on this adventuresome trip!!

FUTURE MEETINGS: Sept. 21--Saturday: Bruce Green will describe his Boys State experience this summer and also talk with us about his responsibility as President of the Student Council; Sept. 28--Saturday: Probable Installation of New Officers; Oct. 5, 1985--Ms. Michelle Enger will describe her experience this summer as a candidate in the Miss Iowa Teen Contest and Scholarship Program. --Oct. 12--Saturday: Kyle and Heidi Wehring, son & daughter of Doug and LaJean Wehring will demonstrate skills learned in their gymnastics training in Council Bluffs. NOTE: This is a unique situation and an impressive commitment on the part of these two young children. You can enjoy a very interesting program AND PROVIDE ENCOURAGEMENT FOR YOUTH TO EXCEL IN THEIR LIVES. You will also be encouraging young people to have the courage to go beyond the usual or routine in the typical lives of children.

REVIEW MEETING SEPT. 7: Meeting was at East Park where some 18 Optimists gathered to assist Terry Ball of the Business Association in "running" the 2nd Annual Treyvor Road Run. The number of Optimists who turned out to help in this program was impressive!! You have reason to feel proud.

PASSING OF THE TORCH: (Re: "THE OPTIMIST MAGAZINE, July/August 1985, pp. 3,4,5)-----

----If you are a new officer, board member, or committee chairman YOU WILL CERTAINLY WANT TO READ THIS ARTICLE. If you are not one of these but are an interested Club Member, you will also want to read the article so that you can be of maximum assistance to the CLUB in the new year.-----

----When officers, board members, and committee persons accept the positions, they make a commitment to TAKE THE TIME TO DO THE JOB!! If they follow through and do the job, THE CLUB FLOURISHES! If they do not, the CLUB DRIFTS with some high points and some low points but averaging out a little less each week and month until eventually almost nothing of significance remains. ---- CHECK WITH YOUR NEW PRESIDENT TO SEE WHERE YOU CAN HELP!! Do your homework and set your goals to fulfill your commitments!!

---to talk health, happiness and prosperity to everyone you meet.
