

Auctions

Byron Menke spoke at the Treynor Optimist Club on April 9. He talked about auctions. There are three types of auctions:

- Live auctions
- Live auction with an on-line auction
- Online auction only

Byron has been in the auction business since 1978, conducting all types of auctions including farm machinery, farmland, estate & household, antique, business liquidation and benefit & fundraising auctions. His well-organized and quick paced auctions draw consistently large crowds and excellent sales results. Byron joined forces with United Country Real Estate in 2008, and constructed his new office building adjoining his Auction Center in Treynor in 2009.

I've sure gotten old! I have outlived my feet and my teeth. I've had two bypass surgeries, a hip replacement, new knees, fought prostate cancer and diabetes, can't hear anything quieter than a jet engine, take 40 different medications that make me dizzy, winded, and subject to blackouts. Have bouts with dementia. Have poor circulation; hardly feel my hands and feet anymore. Can't remember if I'm 85 or 92. Have lost all my friends. But, thank God, I still have my driver's license!
