Vol. 35 No. 7

No Speaker Today

Our speaker today was going to speak about nuclear medicine, but was in Kansas City and unable to get here due to weather. Skyping didn't work out either.

As usual, the group enjoyed discussion about a variety of topics which included 1) the energy efficiency charge mandated by the state which is now itemized on our electric bills, 2) election of judges, 3) Keith's winter trip to Kwaii, 4) the book Toxic Giving, 5) reading the bio of the new Superintendent, Mark Hopkins, and 6) update on the health of Bill Vorthmann's sister, Lynnette. There is a benefit meal/auction on her behalf March 2 starting at 4 PM in the Cass Co. 4-H Community Building in Atlantic.
