CLUB MEETING—Feb. 27, 1988

7:00 a.m. Breakfast at Short Line Cafe

SUMMARY: CLUB MEETING, Feb. 20, 1988

Pres. William presided. Sec./Treas Ken provided the invocation and led in the pledge. (Thanks Ken)

Announcements: Board Meeting at Burris' home Mon. Feb. 22; Trivia Party March 26. (Complete details forthcoming.)

Sgt.-at-Arms: Keith assessed some fines for various reasons. In the attendance drawing Ken Koehler forfeited \$2.50. Funds will carry over.

PROGRAM FROM LARRY HUTCHINSON: (Note: Larry is a counselor at Eppley Treatment Center associated with Methodist Hospital in Omaha.) He spent about 40 minutes in a very interesting presentation. Members had many questions. Interest was high! The tragedy and seemingly utter hopelessness of humans who become addicted to drugs, alcohol, tobacco, overeating, etc. is an extremely depressing reality in our society. For those not present, we wish we could reproduce, in its entirety, Larry's presentation! However, we do not have space to do so here.

A point of special interest, for instance: At the Center, special staff are available as follows: Medical Doctors; Counselors, Dieticians, Recreational Therapists, Chaplains, Psychiatrists. Or, another point: A 30 day treatment program would cost approximately \$6,000. OR ANOTHER POINT: Alcohol and ether have the same chemical formula with alcohol having some water in it.

NOTE: Keith Lambertson was present to ask about our intentions in Re: a horse show this coming summer. Keith was invited to the Board Meeting, Feb. 22 do help finalize plans for a horse show. Probable date: July 9 to be held at the rodeo arena in Carson. (More details on this later.)
