DUES ARE DUE FOR THE JULY, AUG, SEPT. QUARTER

---Actually paying dues ON TIME is a matter of "INTEGRITY." Our payment to International Office goes in before the quarter begins Regardless of whether all of us have paid. Those who do not pay dues on time are using funds from those who do because we must pay total amount. If one of us ends up not paying dues (and dropping out) the Club has paid it and it comes from funds of those members who did pay! If some members are "in arrears", it puts everyone else in the Club "in a bind."

----That, it would seem, is a matter of personal integrity!!
