

Treynor Recreation Association

Aaron Anderson, President of the Board of the Treynor Recreation Association (TRA), spoke to the Treynor Optimist Club on February 27. He has been on the board for 4 years and this is his second year as President.

Aaron has been married 23 years. He is from Harlan and worked as a Deputy Sheriff in Shelby County for 9 years. He has worked for the Omaha Police Department for the past 12 years. His wife is an organ transplant specialist, finding organs for patients. They have three children and moved to Treynor in 2005. Everyone in the family is a golf enthusiast.

The TRA will open March 14. They have been cleaning and remodeling the last month.

Aaron's wife will manage the clubhouse until they hire someone else.

Sand volleyball went over well last season.

They had volleyball leagues three nights a week. This year they will add a junior league.

The TRA is a not-for-profit organization. They are not a non-profit and they do pay taxes.

Aaron's goal for the TRA is to upgrade the equipment to make the golf course more attractive. The course was in really good shape last year and should be great again this year. Membership two years ago was 83 and last year it was 100 people. They have a graduated scale for pricing to attract new members. The costs are:

Individual Membership	Family Membership
\$250 – first year	\$300 – first year
\$325 – second year	\$450 – second year
\$400 – third year	\$600 – third year
