Treynor is involved in a variety of projects at this time. They are working on replacing parts of the water system. They spend \$20,000-\$25,000 each year on street maintenance. They are inspecting the water tower inside. They also replaced all the stop signs in town with break-off poles.

With a grant from Iowa West Foundation, Treynor is beginning a study on community improvements. They will have 2-3 meetings,

with the first on January 31 at 6:30 p.m.

Bryce is excited about improving Treynor. He would also like to pave the remainder of the parking lot for the Community Center.
