

## Girl's Sports

Gail Hartigan was the speaker at the Treynor Optimist Club on December 21. She talked about her children. She talked about girls sports in Treynor. Being selective about who was in what event helped win in Track.

The current girl's basketball team is quick not tall. Gail is pleased with the progress of the basketball team this year. She talked about trends in kids having a one sport focus rather than multiple sports. She encourages athletes to compete in multiple sports. Club ball is also getting stronger and does affect school programs.
