

## **PRE-SCHOOL OPPORTUNITY IN TREYNOR**

Members of St Paul Lutheran Church in Treynor have approved the establishment of a pre-school facility in their refurbished parsonage home. Linda Eitmann and Ann Dea spoke to Club members about the development of St. Paul Pre-school. Linda is Director and a teacher at the pre-school, and Ann is chair of the school governing board. Linda stated that she has had the desire to establish a pre-school associated with St. Paul since she attended a faith conference in 1996. About 80% of families have both parents working full time or have a single working parent, Linda noted. Ann explained that the pre-school facility is a service and community outreach by providing a faith-based school environment with experienced teachers for 3 to 5 year olds to grow and develop through structured play and early learning activities. Enrollments are being accepted for St. Paul Pre-school which will open at the start of the new school year.
