SUMMARY OF MEETING JULY 21 at TRA: 21 members present and 4 guests
Guests from Underwood Club: Ken Bersouski, Don Casson, Harry Casson, and Carrol Childs. We enjoyed the visitation!!

---Walter Glade, Co-Chair of Publicity Committee asked all Committee Chairpersons to send information to the Publicity Committee concerning projects and plans they are getting into. If you do this, we can get proper advance publicity on it and we can also get it into the weekly "TREYNOR IOWA OPTIMISTS BULLETIN" so all members will be informed. Get the information to Walt at 205 Hills Dale, Treynor or bring it to a meeting. If time is a factor, call Walt at 487-3328.

---COMMITTEE ASSIGNMENTS TO NEW MEMBERS: Ed. Underwood will be on Finance and Virgil Holst will be on the Community Affairs Committee.

---Sergeant-At-Arms, Howard Knox had some fines for tardiness, failure to shake hands with the President, and some birthdays.

---TOM EITMANN missed the prize in the drawing. (Approx. \$18.00) His phone number was drawn. (A REMINDER OF THE PROCESS: Each week those in attendance, put 25¢ in the kitty. One phone number is drawn each week. If your number is drawn today and you are present and were present last week, you win the kitty.) THE MONEY WILL CARRY OVER and be added to next time. Will be approximately \$24.00.

---THE PROGRAM: Gene Lorenz introduced Jack Long, General Superintendent of Schildberg Construction Co. Jack lived up to his advance billing and presented an interesting and highly educational program. Those in attendance were very attentive and asked a number of questions. ONE WAS: In this white rock on our roads what is the cause for some of the rocks being sharp enough to puncture tires? Jack said those are called CHUK. When the limestone is formed, there is a cavity which fills up with various chemicals; these harden to stones second in hardness only to diamonds. Jack said they do break up through the hot and cold process after being put on the roads. A GOOD PROGRAM!!

CHARTER PRESENTATION BANQUET: At Zion Congregational Church at 7:00 p.m. AT 6:45 Denise Klahn will start playing music as we are seated. Denise will also present some vocal music for us during the program. Officers and members from a number of clubs in our area will be present. We will be presented with our Charter, our Bell, our Podium, our Banner, and other items some of which will be gifts from other Clubs. Dist. Gov. Ronald Caddell and Governor Elect Mel McKern will be featured in the Program. IT IS PLANNED TO BE AND WILL BE A HIGHLIGHT OF OUR YEAR AND AN HISTORICAL MEETING FOR OUR CLUB AND THE COMMUNITY OF TREYNOR!! NOTE: Officers of clubs, etc. in Treynor have been invited as well as other members. A copy of the letter of invitation is attached to this.

OPTIMIST CREED: We end each meeting by reciting the CREED as you know. If the full impact of OPTIMISM is to be made on you, you need to internalize the concepts in the CREED. As we go through it each time, do you "think about" the full meaning of each PROMISE? If a human can live all of the promises in the CREED, HIS LIFE would be assured happy and successful in most respects! MEMORIZING THE CREED IS A GOOD WAY TO BEGIN INTERNALIZING!

OPTIMISTS? WHAT DO THEY DO? Your friends have probably asked you this question since you became an OPTIMIST. In your blue & white folder there is a parchment paper statement which lists THE PURPOSES OF THE OPTIMIST CLUB. It would do an excellent job in interpreting to our friends what "we do." Display it where you and friends can see it.

FRIEND  OF YOUTH.
