## OPTIMISTS

1st Ed.-15th Issue--Aug. 16, 1984--Editor Les Harvey, Box P. Treynor, 51575 IOWA DISTRICT

SATURDAY MEETING, AUG. 18, 1984--At the DAIRY SWEET at 7:30 a.m.

PROGRAM: TOUR OF THE NEW HIGH SCHOOL FACILITIES. (We think!) If you are there for the meeting at the Dairy Sweet, we can "take it from there!"

REPORT ON MEETING, AUGUST 11, 1984: 16 members were present to hear Rick Fili of N.W. Bell Telephone COMPANY DISCUSS RECENT DEVELOPMENTS IN COMMUNICATIONS.  
---Members present enjoyed the presentation and were impressed that we are indeed, "Into the Age of Technology." Thanks to Ben Myers for making arrangements for this fine program!

OTHER MEETING HIGHLIGHTS: Breakfast consisted of coffee and rolls instead of the sumptuous feast we reported in the Bulletin last week. Although information is difficult to find, this writer understands that the ingenuity of Howard Knox and another unnamed member came to the fore and sustenance was provided.  
--To Doug & Carol we say: "Have patience! We appreciate your efforts and your willingness to try to accommodate us!"

WINNER OF THE DRAWING FOR ATTENDANCE: Gerald Forristal was present; he was present last week; his name was drawn; and he won \$4.00.

BRIEF & INCOMPLETE INFORMATION: Virgil Holst is "ram rodding" reconstruction of the fence with mural between "Collins Casuals" and the Getty Station. He will need HELP IN THE CONSTRUCTION. Call Virgil to offer your help.-----  
-----4 Corners Day is Sept. 15. We will have charge of a major event that day but details are not available at this time. (NOTE: We will be assisting the Businessmen's Association in their "Road Run")-----and, We have offered our "manual labor" to Lou Haack, Keith Fairbairn, et. al. to help move items from the old high school to the new one.

FOR YOUR PLANNING: Jim Lightfoot, Republican Candidate for Congress from the 5th District will be our program September 22. (NOTE: Arlo Dunbar and his Committee Members plan to provide us with presentations from most parties during the next few months. Watch for your favorite!!) Gerald Forristal has arranged for Jim Lightfoot to be present.

THANKS FRITZ & CONNIE HOLST and MILLIE HARVEY!: So many exciting things happened at the Charter Award Banquet, we have not had space to report everything. DURING THAT NIGHT SOME SPECIAL COORDINATION AND ADMINISTRATION WAS NEEDED IN A "SHORT TIME" under PRESSURE.  
---118 members and guests had to be greeted; registered; charged; and seated within a short period of time. These three did an outstanding job and they were very patient when our "overflow crowd" found them eating at the ends of tables; at the end of the line; and separated!! THANKS FRITZ, CONNIE & MILLIE!!!

OUR GUEST FROM BERLIN, GERMANY!!--Last week we reported a guest but did not have details at the time we "were going to press." Gerald Forristal had as a guest Mr. Bruno Freyathe of the FRIENDSHIP FORCE. What is the FRIENDSHIP FORCE?? It is an organization set up on an international basis to promote friendship among people of the world. Groups of members travel at reduced rates and efforts are made to "put you in touch" with citizens of the country you are visiting at the time. INTERESTING!! Seems to this writer that Gerald has some information gained from special experiences which he could share with us at a meeting as a PROGRAM!!

TO COMMITTEE CHAIRPERSONS & MEMBERS: Your action will make our club one which survives and thrives! HOW ARE YOU DOING?? Here is a quick evaluation system:  
(Give yourself 10 points for each YES answer.)  
\_\_\_\_ We have had one committee meeting since we started.  
\_\_\_\_ We have had two committee meetings since we started.  
\_\_\_\_ We have identified one project and are well along in completing it.  
\_\_\_\_ We have identified two projects and are well along on completing them.  
\_\_\_\_ We have identified more than two projects and they are well along.  
\_\_\_\_ We are satisfied with the work of our committee & its contribution to the CLUB.

NOTE: If you don't get a total of at least 40 points, we may be in trouble! If you get a total of 60 points, we may be in trouble! What do you think?
