NEXT CLUB MEETING

The next meeting of the Optimist Club of Treynor is planned Saturday, December 16, 1995 at the Zion Church R/E Building. Meet at 7 a.m. for coffee, juice, donuts, and fellowship. JIM CLAUSEN has invited Treynor School Superintendent, LOU HAACK, to speak. Bring a guest.

REPORT OF LAST CLUB MEETING

At the last Club meeting at Zion Church there were nine members and one guest who braved the sub-zero weather and snow drifts to be present. LES HARVEY was visiting the Underwood Club. The attendance pot was awarded to LARRY MCALEXANDER, but it was not claimed.

A motion was passed to contribute to the equipment fund to help the new clubs of Zone 12 get started. KEITH DENTON invited Club members to help start a club in Malvern.

JOHN KLEIN prepared an announcement about the Treynor Swim Day at the YMCA pool in Council Bluffs which will be held on January 21. LEN HANSEN will distribute the announcement to students at the Treynor schools. The swimming period will be free to Treynor youth. Club members are urged to remind family members about the event. Call JOHN or LEN you have questions.

KEITH circulated an announcement of a Public Speaking Class at IWCC on January 11 designed for Optimist members. Registration deadline is January 2.

GIRL'S TEAMS GOING FOR THREE

Gayle Hartigan, coach for girl's sports at Treynor, spoke to Club members about the team accomplishments and activities this year. Gayle noted that the volley ball team, which finished second in the state this year, set numerous team records which are expected to remain in the record book for years to come. The basket ball team is picking up momentum, according to Gayle, and should be competitive in the district. More effort on offense is needed, but the girl's team is planning to be in the state play off again this year. Many of the team members participate in volley ball, basket ball, and track during the school year. Those planning to be in girl's track are looking forward to bringing a state track trophy back to Treynor also. Gayle indicated she is willing to let a girl participate in all sports as long as she gives highest priority to the sport in season.

P. S. The elderly farm couple was having trouble remembering things. While they were watching the afternoon game shows on TV, the farmer said to his wife, "Honey, how would you like me to get you a little ice-cream?"

"That sounds wonderful," the wife answered. "But I think you should write it down so you don't forget it."

"No, I won't forget a little ice-cream," the farmer said. "How would you like a little chocolate on it?"

"I'd love a little chocolate sauce on my ice cream," his wife added. "Now write those down, so you make sure you don't forget."

Again, the husband refused to write it down, assuring her he wouldn't forget, and he left for the kitchen.

A few minutes later, he returned in the living room carrying two plates of scrambled eggs.

"I told you to write it down," his wife exclaimed. "You forgot the toast!"
