A REPORT FROM THE LT. GOVERNOR

Lt. Governor, Laureen Feilen from Council Bluffs, spoke to Club members about Club progress to achieving Distinguished rating this year. With the credit for building the new Malvern club behind us, she said there are but a few additional requirements to meet the qualifications. Laureen indicated we need to plan to end the year with five more members that at the start of the year and sign up a life membership in addition to completing the Honor club requirements, which we achieved last year for the first time. According to Laureen, our Club is the first in the Iowa District to build a new club this year. Usually about five new clubs are started in the District each year. About fifteen are in progress of being formed.

P S. A church that loved good fellowship always served coffee and doughnuts after the sermon. The pastor asked a little boy if he knew why they served coffee. "I think," the boy said, "it's to get the people wide awake before they drive home."
