In memory of

Dr. Alvin (Al) R. Strohbehn, DVM
Charter Member of the Optimist Club of Treynor
August 22, 1921 – November 14, 1999

Club members are saddened by the loss of AL STROHBEHN last Sunday morning. AL was a dedicated Optimist from the start of the Treynor Club in 1984. For over fifteen years AL faithfully attended weekly Club meetings, helped with most Club activities throughout the years, and led the Club as a board member for many years and president in 1991-1992. He was especially proud of his award winning scrapbook of the Club activities the year he was president. As a retired veterinarian AL had a special interest in the annual horse show sponsored by the Club. As a civic leader AL was always interested in projects to improve the Treynor community where he once served as mayor. As a father, grandfather, and great grandfather, AL was always interested in Optimist projects to serve Treynor youth even though his son's and their families lived elsewhere. His warm greeting and cheery smile will be missed, but not forgotten. His contribution to our Club will be long remembered.

A Club Memorial to AL through the Optimist International Foundation is being started by the editor. Additional contributions will be accepted at the Club meeting.

REPORT OF LAST CLUB MEETING

The Club meeting scheduled last week was canceled as many members were attending the high school state football tournament.

P.S. "Two ranchers were discussing the effects of the recent drought. "How are things out your way?" asked the first rancher.

"Well," answered the other, "the cattle are so thin that by using carbon paper we've been branding them two at a time."
