OPTIMISTS

2nd Ed. Vol. 1 Issue - Nov. 1, 1984 -- Editor Les Harvey, Box P, Treynor, Iowa 51575 -- IOWA DISTRICT

MEETING: Nov. 3, 1984--Saturday. At Dairy Sweet at 7:30 a.m.

PROGRAM: We have two possibilities, depending upon the drawing of straws by Cal Hoegh and wife, Phyllis. At the time of this printing, there are some schedule uncertainties. HOWEVER: Cal will present the story of his visit to Brazil in South America. Phyllis, when she has her turn, will present us with a program to describe the role of Jacobsen "T" Travel Service in Treynor, Iowa. Since this is a unique service in a community the size of Treynor, we felt there would be considerable interest in complete details on the services offered, prices, etc. NOTE: Phyllis said she may "think about" importing some Tahitian Talent to help out on this but at this time that is uncertain!!

One member of the Hoegh Family will do the program Nov. 3 and the other will do the program Nov. 10!! We will be looking forward to both!!

REPORT ON OCT. 27 Club Meeting: Sixteen members met at the elementary school where President Gene presided. Keith Lambertson, Principal of the Elementary School conducted a very informative meeting for the group concerning the elementary school program and the physical facility. A high level of interest was evident on the part of Optimists in attendance!!

TO KEITH: Thanks for your early morning program!! We appreciate it. As Optimists we are interested in promoting community activities. We recognize elementary education as one of the most significant of community activities!!

President Gene announced "Youth Appreciation Week" as a special event for our Club. We will have some special plans for this week, coming soon.

DAVE MUNDT has held one session of the Gun Safety Class. In this first session some 24 young people participated!! Great Dave!! The second session was held Tuesday, Oct. 29 at Dave's house. NOTE: Dave will do a program for us one of these Saturday mornings to explain to us the full ramifications of a Gun Safety Class. Most of us have little information as to what an eight hour class for young person would entail. WATCH FOR THIS MEETING!!

LARRY OLSEN had his number drawn on the attendance POOL. He was not present to collect so the funds carry over to next week. The "Kitty" next week or this Saturday (Nov. 3) should be about \$22.50. Remember: To win the pot, you must be present the day your number is drawn AND you must have been present the prior week also.

THE EDITOR NEGLECTED to report to you last week that you were to report to the Oct. 27 meeting in "costume" other than you usually wear. (This to commemorate in some manner that the day of "ghosts and goblins" is upon us.) Only three members came in costume (Gene, Howard, Dave) and the remainder were fined! Since your editor feels some responsibility, he pledges at least a \$1.00 fine Nov. 3!!

YOUTH COMMITTEE & other Optimists held our first ANNUAL Punt, Pass, & Place Kick contest for 28 youngsters ages 8 thru 13 at the football field on Saturday, Oct. 27. Chairperson Randy Donahue reports he had good volunteer help from Club Members and the following winners are announced: 8 year olds: 1st Josh Gutttau and 2nd Mick Andersen; 9 year olds: 1st Justin Miller and 2nd Bryan Wrinkle; 10 year olds: 1st Matt White and 2nd Eric Falk; 11 year olds: Bret Chambers 1st and Thomas Olsen 2nd; 12 year olds: Danny Jackson 1st and Todd Stortenbecker 2nd; 13 year olds: Beau Ward 1st and Brad Chambers 2nd. Randy says " THANKS" to everyone who helped. Nice going Randy and committee and members!!

DUES ARE DUE: Secretary/Treasurer Dave Sevcik has sent out notices on the quarterly dues. If you have overlooked sending in the dues, Dave would appreciate some action at this time. If you chose not to send in the dues, we hope you will reconsider. You are a member of an active CLUB!! Your membership alone is a significant contribution to this activity.

NOTE: CLUB PROGRAM FOR NOV. 17 -- Geri Nelson, Chairperson of the Pottawattamie County Bloodmobile will discuss the program with us. This should be an interesting and informative program!! NOTE: Geri says she may even be recruiting donors!!
