REVIEW OF NOV. 3, 1984 MEETING---

President Gene presided as 21 members and one guest gathered for the meeting at the Dairy Sweet. Carol had prepared waffles and bacon for us along with the good coffee.

- a. Ed Underwood introduced Frank Ronneau as the guest of Howard Knox. Welcome Frank!
 - b. Steve Stover introduced Chuck Branham who, as of Nov. 3 Board Meeting is our newest member officially. Chuck is a soil scientist at the Soil Conservation Offices and presently involved in a soil survey in Pottawattamie County. Chuck and his wife Sheile have a ^{SON} daughter Shane who is 13 and a daughter Megan who is 7. He is a member of the Treynor Volunteer Fire Department and is certified EMT. He is a member of the Soil Conservation Society and a past member of the Benevolent and Protective Order of Elks. WELCOME ABOARD CHUCK!! Thanks Steve Stover for helping Chuck to become a member!!
 - c. Congratulations DAVE MUNDT for the 24 students certified in gun safety in your class.
 - d. FRITZ HOLST number was drawn in the attendance program. He was present and would have received \$22 but he was not here last week. SO-0-0 it carries over and the money next week will be added to make about \$27.
 - e. We have completed our project of helping school administrators in selling tickets at the gate for the football games. THANKS TO ALL MEMBERS WHO PARTICIPATED. We had 4 or 5 members each home game. KEITH FAIRBAIRN tells us that it was really a pleasure to have the dependable help!!
 - f. Youth Appreciation Week is Nov. 12-17. Your officers and board members hope to have a special event planned for young persons. Watch for more information.
 - g. DAVE SEVCIK announced that Dave Dowling, Gene Grell, MickGuttau, and Thomas Eitman are having birthdays this week and Ken Graham and wife have an anniversary. Our congratulations to each and all of you!!
 - h. TOM RYAN's football pool winners for the Oct. 26 was announced a week late by Tom. Charles Branham, Lou Haack, Jim Clausen and Cal Hoegh would have been winners but Tom's rules say they were not present last week so cannot collect this week. A MOTION BY LES HARVEY TO AUDIT TOM'S BOOKS IN THE POOL WENT UNSECONDED. Anyhow, entries were accepted by Tom for the pool this week. TO BE ANNOUNCED HOPEFULLY on time Nov. 10. OK TOM??
- PHYLLIS HOEGH presented a short but very informative program describing the travel service she manages here in Treynor. Many Club Members were surprised at the extensive services offered. Don't have room to describe it BUT CAL HOEGH ASSISTED in the role of a Tahitian Dancing Girl (in full costume.) A GREAT PROGRAM!! Thanks Cal and Phyllis.

A Board of Directors Meeting was held. We will report on that next week.
