Program: Walt Glade will have some interesting and educational information about the work of Control Data Corporation; modern technology; and how most of us are effected in some way by this technology.

Program Feb. 16, 1985--High School Band Students from S.W. Iowa Honor Band--The Cotten Bowl Appearance; preparations for the Trip; individual reactions & Impressions.---
---Greg Feller, Bruce Green, Jon McAlexander, and Corey Stover.

Report on Feb. 2, 1985 Meeting: President Gene presiding over 27 members present; Chaplain Ken with usual fine invocation. Guest: Glen Bryant (helped on program also.) -----
---Steve Chambers forfeited about \$16.00 since he was absent; Bryce Strohbehn had a birthday Feb. 2 (this cost Bryce). Sgt.-at-Arms Howard made his usual collection from an assortment of "reasons" for fines. Note: Jim Carmicheal was absent but sent Pres. Gene funds for the fine he felt certain would be there. (Howard is getting concerned: He says when Optimists meet him anywhere, they reflexively reach for the coin purse!)
---PROGRAM: Elsie Bryant brought us interesting and new information on the role of the American Association of Retired Persons in our society. Husband Glen added some pertinent facts. Discussion with numerous questions ensued, indicating a deep interest by members. Elsie told your editor she forgot to "Commend the Club for its work with young persons. Her work is with persons at the other end of the age spectrum and she feels at some time along the way, we might collaborate on actions for both groups."---
---Thanks Elsie and Glen!

Horse Show Committees to be Announced: Date July 13 at Carson Rodeo Arena. We need a Finance; a Publicity; and an Arrangements Committee. (Excellent assistance and past records are available via Keith Lambertson.) We will arrange about 3 persons per committee and time needed will be minimal. Volunteer your help to President Gene!!
NOTE: This Horse Show is the Annual Town & Country Horse Show. We are helping with manpower to assure the continued success of this Program!!

Ice Skating Rink is functional! Thru use of poles from TRA; permission of City Council; a good price on plastic from Treynor Hardware; some hard labor by about five members; and water from the City Council, a winter recreation activity is available AND BEING USED by Treynorites of all ages!! Thanks to everyone involved! As an Optimist you are involved since your funds were used!!

You are invited!! Jim & Trudy Carmicheal hope you will visit them at their new Chiropractic Clinic on Main Street Thursday, February 7; the Official Open House!!

Bryce Strohbehn says: "Hold open May 18, Saturday to work on the St. Jude's Bike-A-Thon!!

Committee Assignments: Pres. Gene & Officers and Board Members may be contacting you concerning realignment of Committee Assignments. Some members have expressed interests in being more active; some have asked to be moved to other Committees. We hope you will cooperate and get involved!! If several committees function, then no one person or group will have to spend undue hours to maintain the organizations' momentum. AND OUR MOMENTUM IS GREAT!!

Your Board of Directors Met Sat. Feb. 2. (Those attending: Gene Grell, Dennis White, Rich Morton, Walter Glade, Jim Clausen, and Larry Snyder) Bills were paid; James Carmicheal was officially accepted as a Member. (Keith Denton was awarded "credit" for this action.)
---Discussion of committee assignments took place.
