Report on Feb. 16 Meeting: President Gene presided as 19 members and two guests met for the meeting. Wendy Olsen, Co Editor of the Treyvor Record was present. We are honored with this attention Wendy!! Please come back anytime!! We will get you a membership form for Craig!! Our speaker was the other guest. Chaplain Ken provided his usual objective invocation. Thanks Ken! ---President Gene reminded us that International President Art Long would be at Amana March 30 for a meeting of Optimists and he hoped a number of us would plan to attend; plan to spend Mar. 16 at the high school gym to help with the wrestling tournament; we have two projects we should get started: The Bike Safety Program & Respect for Law Program. --If you wish to get involved in one of these call President Gene.----- --In the drawing for attendance, Ken Graham received \$4.50 for being present last week and this week. --Everyone present paid fines for failure to prove they shook hands with President Gene this morning, PROGRAM: Millie Harvey who runs the Treyvor PRIDE BASKET Program for the Treyvor Business Association described the procedure involved in greeting all newcomers to the community. Those present seemed impressed with this Program and most did not know what it involved. Thanks Millie!!

NOTE: The 4 Honor Band Students will be rescheduled to do a program for us!!

New List of Members, District Officers, and O.I. Officers attached!! Each week those persons on the list receive a copy of this Bulletin!! If you cannot make the meeting, you can read the bulletin and keep abreast of what is happening. It is your weekly contact with your Club!!-----PLEASE CHECK your name and address and phone number. If there is an error, call Les Harvey: 487-3836.---NOTE: THANKS TO BEN MYERS for running these for us at the same time as he ran about 50 sets of mailing labels using the list. A.T.&T. Information Systems, where Ben works provides this service as a courtesy to us. Thanks Ben & A.T.&T.!

ABOUT THAT NEW MEMBER YOU ARE GETTING!! Follow those instructions you received last week in the flyer: "How To Get A New Member!" Use the application form!! Bring your prospect as a guest once or twice!! Sign them up!! They will be forever grateful!! As the man with the hat on the TV ad says: "DO-O-O-WIT NOW!!"

The Regional Meeting of Zones 1,2,3,4--Feb. 9, 1985 at Carroll, Iowa was attended by officers of 7 of the possible 9 Clubs in the four zones. Our club was not represented. Les Harvey had planned to attend but canceled out due to illness.---These meetings are significant and critical to the function of an official Optimists Club! Without involvement in such meetings to assure activities and functions via the Optimists, a local club could suffer from what we might call "in-breeding of program and action." --We need a definite policy of having at least one representative at Official Optimists Meetings and we need a policy which reimburses at least one person to attend. We will all benefit from a strong OFFICIAL OPTIMIST CLUB FUNCTION!!

Your Ice Skating Rink Is Being Used!! Congratulations!!!

to be just as enthusiastic about the success of others as you are about your own.
