

TREYNOR, IOWA

OPTIMISTS

David J. Sevcik
101 Maple Dr., Box 398
Treyvor, Iowa 51575

2nd Ed.--2/1th Issue--April 1985--Editor Les Harvey, Box P, Treyvor, Ia. 51501--Iowa District

Club Meeting, April 6, 1985--At Dairy Sweet. Eat in Restaurant and adjourn to game room by 7:40 for meeting.

Program: Ken Koehler will have the program. You will find an interesting program dealing with some modern miracles of modern medical science. (Note: This is a change. Last week we announced Dennis White would have the program.)

NOTE: The Board of Directors we would have meeting April 6 will meet April 13 right after the regular meeting.

Future Meetings: April 13--The four students from high school in the honor band will do the program; April 20--Meet at high school in the weight room area where Dave Mundt and Randy Donahue will show us the weight equipment and discuss the weight program for the school; April 27--Steve Stover: "50 Years of Soil Conservation."

Review March 30 Meeting: Dennis White was our leader (in the absence of Pres. Gene and both Vice Presidents Rich and Les.) as 22 members gathered for the meeting. The usual levy of fees for infractions was assessed by Sgt.-at-Arms Howard. (Note: Your editor was in Texas and is reporting what has been passed on to him. Full information comes "hard" at 8:30 on a Sunday evening via telephone. Seems nobody stays home. To those of you who were at home tonight and did report; THANKS) Steve Chambers forfeited about \$5.50 since his name was drawn on attendance drawing. Discussion of a possible meeting of our Club one Monday night each month transpired. The issue was or is now scheduled to be on the agenda for our next Board of Directors meeting. (The group felt the Board Meeting should be April 13 rather than April 6 due to the Easter Week-End.) NOTE: On the Monday night meeting issue, your Board Members ask you to think about your feelings on the matter; discuss with other members; and let your Board Members know how you feel about it!! PROGRAM: Jim Carmicheal had Steve Morse at the meeting to present to us the speech he will give at the Optimist Zone 2 Oratory contest April 20 in Council Bluffs. The speech was appreciated by those present and Steve should have a good chance at winning the Zone Contest. Thanks Jim and Steve for this "new experience" for most of us. GOOD LUCK STEVE AT ZONE, DISTRICT, ETC.!!

Congratulations Social Committee: (Walt Glade, Jim Clausen, William Burriss)!! Our first social was a great success according to all reports your editor can get! Some 40 persons attended despite the snow storm; everyone enjoyed all the wonderful food which came from those who attended; the fellowship and fun was super. The main event of the evening was a very serious contest matching "trivia competency" of the teams involved. According to Walt Glade the Championship Team consisted of Team Members: Paula Glade, Kay White, Fritz Holst, Linda Fajen, and Dave Dowling! (NOTE: To the champions--This could be the beginning of an era of notoriety for you wherein wherever you go in the Treyvor Community you will be sought out by the curious for information about many things of no importance to anyone!! This is the price you will have to pay for your newly gained success!! Congratulations.) THE Team with least points included: Connie Holst, Georgia Denton, Vickie Dowling, Bryce Strohhenn, and Trudi Carmicheal. Your Editor is not certain how to interpret the status of this group. Since they were "last" it means they know less trivia than any others. Isn't this "best"?--or, how does it go? The Key Factor it seems: Everyone had a great time!

Charter Banquet Anniversary Party in Planning Stage. Your social committee would like to have input from you as to your desire for the party. See names above. If you have ideas please pass them along to one of the committee members. Like any committee they will appreciate the help!! This Committee remains "open" to suggestions as to other social events which you would like to attend as an Optimist.

There is hope that a softball team or league can be formed in Treyvor made up of men and women (husbands and wives). Object: Exercise; friendship; and fun!! This league would not be restricted to Optimists and spouses! If you have even the least bit of interest, call Walt Glade (soon.)

Univ. Of Iowa Students attend Optimists Trivia Party: Jim and Trudi Carmicheal brought eight of the students who had performed in the concert earlier, to the Trivia Party. According to reports this magnified or increased the pleasure of all concerned. This group added much to the fun of the evening and the students appreciated the friendly Treyvor Optimists, spouses, and friends. Thanks Jim and Trudi!

FRIEND OF
YOUTH.
