REVIEW MAY 19, 1985 MEETING--Sunday with the St. Jude's Bike-A-Thon.-----About 24 OPTIMISTS were present to help Bryce and Dean run this important project. The "Junior Trey nor Women" were out in force and performed numerous functions. We do not have room in the "Bulletin" to report details on this event. We believe Wendy will cover it in the "Trey nor Record". As usual the community and the Business Association supported the event fully!-----NOTE: Mick Guttau was one of the "bikers". Bryce didn't ride but his wife Kim was the leader all the way in the 10 mile event!! Congratulations Bryce & Kim; and you too Mick!! -----NOTE: FAIR WARNING FOR NEXT YEAR!! We may receive a challenge from the Junior Trey nor Women for participation in this event as bikers. (Some of us will have to begin our "training" immediately!)-----Prizes; winners, etc. will be reported when all "facts" are in. GOOD JOB BRYCE AND DEAN!! and those members who turned out to help!! THANKS TO BOB WARNER & THE COUNTY SHERIFF STAFF ALSO!!

SUPPORT FOR "UP-WITH-PEOPLE" MEMBER, MARK GREEN: A number of events are in process to help Mark raise the \$5000 tuition (also for Sheila Koehler for a year from this July). Watch for the events and get involved. Your satisfaction "in being a part of this event" will be a reward far beyond your financial investment!!

NEW MEMBER LARRY MC ALEXANDER: Larry is Consultant for the S.W. Iowa Farm Business Association. He works out of his home. His family includes Cathy, his wife; Jon who is graduating from Trey nor H.S. this week; Jason who is in 7th grade in Trey nor Schools and Jennifer, age 2. Again: Welcome aboard Larry!!

ABOUT THE NEW CLUB IN ZONE 2: The River City Club meets regularly at Twin City Plaza at 8:00 p.m. in the Burgers 'n' Creme Plus Restaurant. Fritz Holst represented our Club at their Charter Banquet and presented them with a set of meeting badges for their use. Fritz tells us it was a successful banquet. There is a rumor that within a few days or weeks, this Club almost doubled its membership!! WE CAN DO THAT!! There are more than 46 (our present membership) men in the Trey nor Community who would and should be members. Remember the formula Lt. Governor Kirk Johnson left with us to get a member? ASK SOMEONE!! (Then follow up.)

DO YOU?---Do you read your copy of "THE OPTIMIST MAGAZINE?" It is not the purpose of a Club Bulletin to report on National Information from this magazine. However, in the event you have neglected to "get into this magazine", we would recommend you give it a try. Do you have a student of the French Language in your home? ---As you know this magazine is printed in two languages!! A tremendous chance to practice reading French with side-by-side translation!-----IN THE APRIL ISSUE the following quote from Abraham Lincoln is provided: ---"I like to see a man proud of the place in which he lives.

I like to see a man live so that his place will be proud of him."

--NOTE: If your life is one of oblivion as far as getting involved in the community in which you live, this thought might be for you. Most Optimists have "shed" this status (if they ever had it.)

--to talk health, happiness and prosperity to everyone you meet.
