You will be a more functional citizen of Treyvor when you learn of the comprehensive SERVICE YOUR FIRE DEPARTMENT PROVIDES!!

Training sessions for new officers will be held on Saturday, August 17. Special sessions for the President Elect and the Sec./Treas. Elect. VOLUNTEER YOUR TALENTS FOR THE TALENT SHOW. See Tom!!

REVIEW JULY 20, 1985 MEETING: President Gene presided as 17 members and our speaker gathered for food, fellowship, and knowledge. (NOTE: In the absence of our Chaplain, we have been foregoing the invocation. Does someone want to volunteer as a substitute?) Sec/Treas. Dave (just back from vacation) announced Virgil and Ethel Holst have an anniversary this week. Congratulations!!---Pres. Gene asked for a volunteer to Chair a Committee to set up a Todd Frain Day in Treyvor.---Sgt. at Arms Howard reported Rich Poland forfeited \$10.50 since his name was drawn on the Attendance pool and he was not present to collect.---Members found that it was costly not to remember: To wear pins; to forget the PROMISE YOURSELF clause or (phrase) used each week in the NEWSLETTER; and Pres. Gene volunteered a fine of \$5.00 for his absence from the Horse Show. (The Youth Fund, as always, was the overall winner in these events; and eventually, of course, the youth of the community.)-----

-----PROGRAM: Greg Feller, Junior in Treyvor High School provided us with about 30 minutes of interesting information covering his attendance at the Hugh O'Brien Youth Foundation Leadership Conference for Youth in Des Moines at Drake University. Few, if any, of the Optimists knew about this very effective program to help our youth leaders further develop their leadership skills. The Program has developed a National and (probably) International Credibility for being effective in helping young leaders become knowledgeable in our economic system as well as governmental systems. THANKS GREG for a truly educational experience!! (at 7:00 a.m. no less!)

ANNUAL ROAD RUN, SEPT. 8--Principal Sponsor: Treyvor Business Association. Our Club helped with this in the First Annual Road Run last year. Terry Ball is Chairperson for Business Association. WE NEED YOU TO Volunteer to be our liaison Chairperson. (Ken Graham did it last year.) Get in touch with President Gene if you wish to do this. (SOON!)

REFLECTIONS ON APPEARANCE OF "GREG FELLER" at our meeting. It is obvious that Greg is a busy young man. His appearance before us was at somewhat of a sacrifice in time for him. The attendance of Optimist Members at meetings, quite obviously is at a sacrifice in time for them. However, they do it and all of them are known to be busy and successful people in other areas of their lives. Having Greg do the Program for us reminded us that a segment of our society, even though busy, find time for Optimists and Community activities while others seem to feel they must spend all of their time in pursuing their personal and business lives--too busy to get involved!! --We are reminded to be thankful for young people like Greg Feller and the many Optimist Members who are busy but not too busy to GET INVOLVED!! TREYNOR COMMUNITY OPTIMISTS: FRIENDS OF YOUTH!!
