REVIEW: AUG. 3 CLUB MEETING: 20 members and guest, Past Lt. Gov. John West of the Carter  
Lake Club were present. ANNOUNCEMENTS: Cost per person for the PIG  
ROAST Aug. 24 will be a "free will offering." ----Board of Directors will  
meet Aug. 10 right after regular meeting. Sgt.-at-Arms Howard reported  
late to the meeting AND: The assembled mass, led by the Sgt.-at-Arms "to be"  
"clobbered" Howard with fines, innuendos, and derisive remarks. Although not  
present himself, your editor understands that the total of the fine ran  
into "folding money." ----Rick Saar forfeited about \$22 since his number  
was drawn and he was not present.-----THE PROGRAM: Dr. James  
Carmicheal kept the attention of the group with some interesting facts  
concerning the "role" of the chiropractor in our lives as we try to  
develop and maintain our health. Executives in industry and education  
have discovered only recently the advantages of "wellness programs" in  
their areas. Not many fully understand the role of the chiropractor in  
this "wellness concept." THANKS JIM for an educational session!!

Commit yourself! Get involved now! DON'T WAIT TO BE ASKED!!
