NEXT CLUB MEETING

The next meeting of the Optimist Club of Treynor is planned Saturday morning November 8, 2003 at the Treynor Community Service Center.

REPORT OF LAST CLUB MEETING

At the last Club meeting at Treynor High School, there were 28 members and four guests present. Pres. JERRY HEMPEL opened the meeting by leading the pledge.

GEORGE'S son Richard and MICK GUTTAU'S son JOSH were guests.

Belated birthday greeting were sung to BILL VORTHMANN for which he contributed a dollar to the Youth Fund.

There were several other contributions for bragging rights. GEORGE, GARY FUNKHOUSER, RICHARD, MIKE ABBOTT and TIM GREINER each had kids or grandkids with notable recent achievements.

Emily Haferbier and her father Roger visited the Club meeting. Emily explained she had been selected to the All-American Cheerleaders Squad.

Pres. JERRY announced the next Club meeting will be at the Treynor Community Service Center at the regular time of 7:20 a.m. on Saturday the 8th.

Thanks to TIM, JOHN KLEIN, JERYL and KEVIN UNDERWOOD, LES and MILLI HARVEY, GARY FUNKHOUSER, LARRY KRAMER and BOB HIBBARD for helping the Honor Choir group with the recent can and bottle sorting.

Pres. JERRY noted the pizza supper for the football team would be on Tuesday evening.

P.S. Three collage students were visiting a foreign country. One was from University of Iowa, one from Iowa State, and the third was an agricultural engineer from Purdue University.

This was pretty harsh, but the executioner told them they didn't have much to worry about. The guillotine hadn't worked for years. What's more when it failed to whack off their heads, they could go free.

The UNI student was first. The executioner pulled the rope and the blade didn't fall. He was set free. The same thing happened to the IU student.

Then the Purdue engineer was led to the guillotine. Before he was strapped in, he looked at the rope pull and latch, and then turned to the executioner.

"You know, I think I've already figured out what's wrong with this thing..."
