**Treynor High School Cafeteria**

Jnelle Keysor, the Treynor school Dietician and Head Cook, talked about the lunch programs at Treynor. The state requires breakfast at the elementary school to be limited to 410 calories. At the high school it can be 554 calories. Lunch at the elementary can be 664 calories and 22 grams of fat and at the high school can be 825 calories and 28 grams of fat.

The school served about 24,000 breakfasts last year and about 118,000 lunches. They have a 95% participation rate.

All schools in Iowa are required to serve breakfast. Some schools provide breakfast in a bag, but Treynor does not. The state is very restrictive on

sodium content and fat content is limited, so the school does not deep fat fry anything.

Breakfast costs \$0.75, lunch at the elementary is \$1.40 and lunch at the high school is \$1.75.

During the school year, the school also provides food for Meals-on-Wheels. They average 10-12 meals per day at a cost of \$2.

Jnelle also provided a typical breakfast and a tour of the new kitchen and serving area of the high school.

The Fourth of July was traditionally celebrated as America's birthday, but the idea of an annual day specifically celebrating the Flag is believed to have first originated in 1885. BJ Cigrand, a schoolteacher, arranged for the pupils in the Fredonia, Wisconsin Public School, District 6, to observe June 14 (the 108th anniversary of the official adoption of The Stars and Stripes) as 'Flag Birthday'. In numerous magazines and newspaper articles and public addresses over the following years, Cigrand continued to enthusiastically advocate the observance of June 14 as 'Flag Birthday', or 'Flag Day'.

On June 14, 1889, George Balch, a kindergarten teacher in New York City, planned appropriate ceremonies for the children of his school, and his idea of observing Flag Day was later adopted by the State Board of Education of New York. On June 14, 1891, the Betsy Ross House in Philadelphia held a Flag Day celebration, and on June 14 of the following year, the New York Society of the Sons of the Revolution, celebrated Flag Day.

Inspired by these three decades of state and local celebrations, Flag Day - the anniversary of the Flag Resolution of 1777 - was officially *established* by the Proclamation of President Woodrow Wilson on May 30th, 1916. While Flag Day was celebrated in various communities for years after Wilson's proclamation, it was not until August 3rd, 1949, that President Truman signed an Act of Congress designating June 14th of each year as National Flag Day.
