Report of Recent Club Meeting

President Dick Baber opened the Optimist Club meeting on June 20 and led the pledge of allegiance. Mick Gutttau gave the opening prayer. There were 13 members present. Dick Baber and Keith Denton contributed jokes. Judy Gutttau contributed to the Youth Fund for an article in the Saturday Daily NonPareil about TS Bank funding a program to help the Treynor school district create a Financial Literacy Program.

The Optimist Club is running Bingo and the 50/50 drawing for Treynor Days again this year. Pictures of the Kiddie Parade for Treynor Days will be on the Club website at treynoroptimist.org.

The Optimist Club is planning a barbeque on Friday, July 15. This will be a summer social and all prospective members are invited to join the activities. There is also an Optimist Club Zone meeting in Atlantic on July 16.

Judy Gutttau won the 50/50 drawing. Millie Harvey won the attendance drawing but did not collect.

The June 27 meeting will feature Dawn Klein, Sheila Heieck and Brian Zuger from the 912 Project. This is the local Omaha group of the national network sponsoring the tax protest tea parties nationwide.

Guessing Your Personality Type

Linnea White, a Psychologist with Horizon Therapy Group in Council Bluffs and a member of the Treynor Optimist Club, talked about the Myers Briggs Type Indicator. This indicator can show how people with different type preferences differ in their attitudes and behaviors in work situations.

The opposite personality types described by Ms. White are Exterior - Interior, Sensing – Intuitive, Thinking – Feeling, and Judging – Perceptive. By

recognizing different types of people and utilizing the strengths of each, a team of people can be much more effective.

It's so hot...

... the cows are giving evaporated milk.

... you fed the chickens cracked ice so they wouldn't lay hard-boiled eggs.

... that there are things in your home that don't work: your air conditioner, your refrigerator and your kids.
