

Treynor Basketball

Chad Nelson spoke at the Treynor Optimist Club on 2 February. He is in his 5th year in Treynor teaching math. He is also the assistant basketball and baseball coach and 4th year as the golf coach

This is the fifth straight year the basketball team won the WIC conference. They have won 16 games in a row, starting the season with five new players.

This will be Chad's first year as the head golf coach. He is expecting a good number of players and is looking for an assistant coach.

For baseball, they have 38 boys signed up this year. They normally have under 30. The new batting cage in the fitness center will help tremendously.

There are 10 students in calculus, 20% of the Senior class, which is a very high percentage. Two of the students received perfect scores of 36 on the Math
