Vol. 35 No. 11

A trip to the Palace Barn

Dale Willenborg started the tour with a prayer at the Palace Barn, just west of Treynor (33153 Highway 92) at 8:20 AM, Saturday, March 23.

Fourteen members and 6 guests attended. Guests included Dennis and Geri Nelson, Georgia Denton, Cynthia Graham, Rosalie Soloth, and Julie Funkhouser.

Finishing touches are being added daily. They have a large pile of gravel to lay, but are in need of more, which is in short supply due to the floods. They can provide a shuttle service from the upper parking area until more gravel is located.

The remainder of our time was spent looking at and hearing about the facility with hosts, Craig and Penny Buckingham. Their desire is to create one of a kind memories in a renovated historic barn.

A beautiful stone fireplace was created in one day by stone layers.

There is in-floor heat as well.

The Palace Barn holds "a good 300" people. They do have a liquor license, and provide facilities for caterers to be hired by anyone booking the facility.

The facility will be first used for the Treynor Prom dinner in April and their first weddings are scheduled in May.

There are original 1930's barn wood features and include the original rope hanging from the top on one end.

A large tiered cement patio provides an area for outdoor events. The view at any time will be lowa-beautiful.

The dressing room for brides is carpeted and waiting for mirrors and makeup chairs to complete.

There is an upper balcony floor with beautiful barn type wood and a large window and bench.
