Candace Gregory, Open Door Mission

Dr. Candace Gregory, CEO of Open Door Mission (ODM), has lived in the Treynor area for 11 years. She and her husband Steve celebrated 25 years of marriage this year. They have four children: Steven, Samuel, Chloe, and Daniel. The couple heads up the Treynor Wrestling Booster Club.

Candace has a very engaging personality and

loved telling about and showing pictures of the Treynor Day of Caring. 500 Treynor students come to ODM for five hours along with teachers to volunteer. The teachers choose their area to work and divide the students into work groups. The work varies from garden work, sanitizing toys, sorting food, to doing activities with the small children. A 20 minute presentation with Candace helps the students understand more about homelessness and poverty. The groups then go to work and at the end of the day, come back together in huddle groups to share stories on what was accomplished, and receive coveted awards. This program is offered to other schools in the area as well.

Gregory stated that many of the students come back to work on their own time. She stated that investing this time in the students and helping them understand homelessness influences the choices they make. They are able to see that wrong choices leads to social issues that compound.

Open Door Mission's purpose is to meet the basic needs of individuals and families while inspiring HOPE for lasting change.

A surprising fact is that 50% of the people they serve at Open Door Mission have a college education. The average age of a homeless person in the US is age 9! Another fact is that 10,000 lbs. of food can go out in a day at ODM in

addition to the huge numbers of meals served daily.

Two upcoming volunteer opportunities are: 1) Turkey'N' Fixin's and 2) Project Santa's Toy and Joy Shop. Both programs empower individuals and families to provide for their families. Donations from individuals, families, and businesses make these programs possible.

Besides the main location at 2828 North 23rd St East in Omaha, there is a site called Homeless Prevention Resource Center in Council Bluffs at the intersection of 16th Ave and Ave D. Both are places where unused items, food, etc. can be dropped off. Future plans are to offer an Internet Café and GED classes.

Why are people homeless? It's due to a lack of safe, affordable housing, education, or life skills, mental illness, domestic violence, or life-altering addiction. A big concern for Candace is the government creating dependence and she is teaching independence. She expressed that the worst thing happens when someone is given money who she is helping get sober. She feels it's important to empower people to provide for themselves.

Next week's program will be a Sewer Tour with Casey Baragary leading. Meet at Zion Church first.

The public is invited to attend all meetings. The coffee is always on. Gary Funkhouser coins our club as "The best informed club in Treynor!"

"Plant the seeds of expectation in your mind."
