SUMMARY: CLUB MEETING OCT. 3, 1987

Fourteen members met for fun, fellowship, and the business of Optimists, and "food" of course! President William Burris presided. Virgil Holst led the invocation and the Pledge. Les Harvey introduced his guest, Roy Gravett. (Roy lives in Treynor with his wife, Kim and two children Ryan and Andrea.) Rich Poland's number was drawn in the attendance drawing. He forfeited \$3.50 which will be carried over to the next winner. Les Harvey announced the Program for next week and encouraged us to bring our spouse to the meeting.

-----Ticket takers Friday at the Underwood game: Steve Stover, Virgil Holst, Les Harvey. (Ed Underwood and Howard Knox were "back" up! Ed.Note: It's great to have adequate help!)

-----FIFTH QUARTER AFTER UNDERWOOD GAME: Al Strohhenn and Steve Stover report having about 50 students who all seemed to have an enjoyable time!!

-----Vote was taken to purchase a ping-pong table for FIFTH QUARTER. Howard Knox, being the originator of the action, will follow through.

SPEAKER, RANDY DONAHUE, Head Football Coach, Treynor High School. He is a former member of our Club! Randy spent about 40 minutes explaining his very practical and objective approach (Editor's terms) to coaching high school students. Among other things, those present concluded that the statement that coaches "TEACH CHARACTER", is not a mere cliché in the lives of the young boys and girls in Treynor Schools. It was obvious to the listeners that: In addition to the physical skills in football being learned, these young people are seriously involved in learning activities which will help assure them of a high level of success in almost any area of their future lives. ED.NOTE: We wish we could report in detail the total message. Patrons of the Treynor Schools need to know these things critical to their children!

BOARD MEETING: Oct. 19--At Pres. William's Home

NOTE: This is first Board Meeting for the new year. President William would be pleased if all Officers and Board Members were in attendance!! The Calendar for the Year and Personnel for Committees will be a major part of the agenda. If all officers and Board Members are present TO PROVIDE THEIR INPUT, we should be assured of a great year! Our members have elected this group of officers and board members and have placed the responsibility for a great year in THEIR HANDS.

A SPECIAL "GEM" FROM RANDY DONAHUE'S PRESENTATION: After a recent football game, many football players and other students from Treynor stopped at the Village Inn in Council Bluffs. The next morning, the manager of the Village Inn called TO REPORT THEIR FINE

BEHAVIOR!!!!!!
