RICH POLAND was present and collected the Road Atlas promised him in last week's newsletter. THANKS RICH! It was a fun time. Hope you are back with us Nov.21!!! --TO WEST END OPTIMIST CLUB, C.B.:We thoroughly enjoyed the visit from seven of you! CLUB VISITS are a "good" part of Optimist Int. THANKS!-- ---CALVIN HOEGH, PROGRAM: Thanks Cal for a very interesting 40 minutes!! Cal is heavily "into" designing and producing various wooden "mechanical" devices. He brought with him a display of many items he is making. Cal refers to this activity as his "avocation" AND THERAPY!! Those of us who know his work can attest: RECEIPT OF ONE OF YOUR DEVICES IS GREAT THERAPY FOR THE RECIPIENT ALSO. Sorry we cannot describe the entire program. Cal is a good model for us in showing that even if you are limited in activities, IT NEED NOT LIMIT THE RICHNESS OF YOUR LIFE!--

**NOTE: CHANGE IN MASTHEAD.** This is the symbol of "THE YEAR OF OPTIMIST INTERNATIONAL PRESIDENT: Kenneth G. Loach (1987-88)." Your officers hope you read or will read, the October 1987 issue of "The Optimist Magazine" which provides full information on President Loach and his "TREE OF SERVICE" Theme! Also see inside cover to learn how you can earn one of these MAPLE LEAFS as a pin for new member recruiting!!
