Pres. William presided. NOTE: Ken Graham brought Dave Zach as a guest. Nice to have you Dave!! Thirteen members were present. Steve Chambers forfeited \$10.75 in the attendance drawing. A number of announcements and/or reminders were involved. (See below) ----PROGRAM: Lt. Tim Boyd from Offutt Air Force Base was present and spoke with the group. The presentation brought information and a perspective we haven't had previously on several aspects of the Air Force. Lt. Boyd is a computer specialist and provided interesting details on the role of computers in the Air Force. A Key Statement: The Mission of the U.S. Air Force is to keep the peace; to provide a deterrent to aggression by other countries!! Of special interest was the role of computers aboard the planes in the Air Force. If you missed this one, you missed some special information about a special arm of our military services, a subject we all have a "stake" in!!

WHAT ARE YOU DOING TO BUILD OUR "YOUTH FUND?"

Fritz Holst and your Board have provided you an opportunity to make a significant contribution BY SELLING RAFFLE TICKETS ON A "HIND QUARTER OF BEEF!"
