PROGRAM: Deaconess Laura Buchinger of St. Paul's Lutheran Church in Treynor. She will discuss the role of a Deaconess in the Lutheran Church. Deaconess Buchinger has an interesting background working in the Church. The concept of a "Deaconess" in this capacity is relatively "new." You will find this an interesting program. We hope you can make it.

SUMMARY: CLUB MEETING, Dec. 19, 1987

President William Burris presided as fifteen members and two speakers met for food, fellowship, personal & professional growth, and "the business of Optimists."

DRAWING for quarter of beef: Keith Denton was the winner! (It appears the Denton home would be a good place for our next "Dinner.")
--OF MOST IMPORTANCE: A goodly sum of money was raised for the Youth Fund. We will announce details in future.

VIRGIL HOLST presented the Dec. 17 newsletter to Sgt. at Arms Keith and was awarded a nice road atlas. (Note: This activity is part of President William's attendance promotion.)

PROGRAM: Gladys & Harry Krohn described the activities of a local business, working out of their home. Those present found the information informative and helpful. Another detail as to the overall function of the Treynor Community was put in perspective!! Thanks Gladys & Harry!

NO MEETINGS HELD DEC. 26 -Jan. 2

We had previously announced in this newsletter that there would be short meetings on those dates as well as breakfast for anyone wishing to eat. We forgot to check on the availability of our meeting place. It was not open for business the day after Christmas and New Years Day. (We apologize to any of you who might have traveled to the meeting in vain.)

DUES ARE DUE FOR JAN, FEB., MAR.--BILLING ATTACHED

Sec.-Treas. Ken Graham sends along this reminder. He would appreciate prompt payment. These are used to cover our administrative costs. This fund usually runs close to zero. Prompt payment of dues can relieve Ken and other officers of anxieties due to finances. Send to Ken or bring to a meeting.

GET A NEW MEMBER: WIN A SOLAR CALCULATOR

Pres. William announces the first member to get a new member will be awarded a solar calculator. (Get them signed up; paid; accepted; and attend first meeting.) Note: If Fritz Holst presents his copy of this newsletter to Sgt. at Arms Keith at the Jan. 9 meeting, he will receive a road atlas!

BOARD MEETING: Dec. 21, 1987

A majority of the Board met at President William's home to plan the business of the Club. Bills were paid and discussion of various actions the Club might take ensued. A social will be planned; continued efforts to raise funds for the Youth Program; and steps needed to have our Club ACTIVE in all phases of an OPTIMIST CLUB for the year.

NOTE: PROBABLY NO NEWS LETTER NEXT TWO WEEKS. Editor in Hospital!
