FINE ASSESSMENTS: Sgt.-at-Arms Keith fined everyone who did not make the Trivia Party. Also he "picked on" Mick Gutttau for an extra quarter. (Not sure what that was about!!)

PROGRAM: Walt Glade and son Chris provided an update on Boy Scouts in Treynor. Walt is the Scoutmaster and provided some background on origin of Scouting in America. Chris then provided some interesting (and sometimes humorous) details on various activities the troop has been involved in. Although the troop is small, they are willing to get involved in every activity available to scouts!! (NOTE: Walt and Paula have hundreds of hours invested in the local troop. The success and achievement of the troop is mostly attributable to these two!! COMMENDABLE!!)

---NOTE: STEVE STOVER will travel to China to perform his official duties. Steve does management training in soil conservation. Over the years he has worked with a number of Chinese Executives who have returned to China. China is the only other country in the world where Loess Soil is found like it is here in Western Iowa. We will have more on this in the future. In the meantime, congratulations Steve! We will look for several programs from you when you return!!

ABOUT PROGRAMS: If you will attend meetings so we can count on at least 14 members, we will fill the calendar with interesting and educational programs. Fourteen members plus a guest or two makes a good group.

TREYNOR COMMUNITY OPTIMISTS: FRIENDS OF YOUTH!!!

NOTE: If Keith Denton presents this newsletter to Pres. Wm at the April 9 meeting, he will receive a special gift!!
