CLUB MEETING: APRIL 16, 1988

7:00 a.m. Breakfast---Shortline Cafe. (Note: More of us have been having breakfast these past few weeks. If you plan to eat breakfast, you should be there and order at or before 7 so you can eat prior to 7:30. Pres. Wm. makes every effort to get started at 7:30 on the meeting. This is to help you make plans for the remainder of the morning. A word to the wise.....!)

7:30 a.m.: PROGRAM & MEETING--Steve Stover will brief us on his pending trip to China. It will be interesting for us as we follow Steve through his planning; learn about the actual trip; and get reports when Steve returns. (We can, in our imagination, accompany Steve!!)

OUR CLUB RECEIVES BOY SCOUT AWARD

Walt Glade, local Scoutmaster presented our President a laminated plaque of Norman Rockwell's painting, "The Scoutmaster". He did this at the April 2 Club Meeting. Walt commended our club for the support of scouting in the community. THANKS WALT!! Congratulations to us!!

--Ben Myers did not claim his special gift from President William at this meeting.

SUMMARY: CLUB MEETING, APRIL 9

President William presided as eleven members and four guests gathered for our meeting & program. Fritz Holst provided the invocation and led the Pledge. Thanks Fritz! Guests were introduced: Donna Burris, Connie Holst, Paula Glade, Milli Harvey. Thanks for coming ladies. The meetings are special when you are there!

Pres. Wm. announced we would postpone the filling of cisterns since the weather was threatening. (It rained before the meeting ended. Good decision!)

---Sgt.-at-Arms Keith assessed fines to those failing to have guests (last week). In the drawing, Dennis White forfeited \$20 in the attendance drawing. (It is growing!!)

---Keith Denton claimed his special gift from Pres. Wm by presenting the Newsletter with his "notice" in it!! Way to go Keith!! Note: If Mick Guttau presents this newsletter to Pres. Wm at the April 16 Club Meeting, he will receive a special gift!!

----PROGRAM: Walt Glade introduced our speaker, Lyle Walker. Lyle is an engineer with Control Data Corporation in Omaha. He provided us about 40 minutes of very interesting information, including some impressive demonstrations concerning Scottish Highland Bagpipe Music!! We learned a great deal about Scottish History as it relates to bagpipes. Lyle played several numbers on the bagpipes he had with him. We were impressed! The patrons in the outer restaurant were also!! Lyle has 3 daughters who do Scottish Highland Dancing. His wife also does this. Lyle's great, great grandfather was of the McGregor Clan in Scotland before coming to the U.S. Sorry we do not have room to try to communicate to you what a really marvelous Program this was!! THANKS WALT AND LYLE!!
