### SUMMARY: CLUB MEETING SATURDAY, April 16, 1988

Vice President Jim Clausen presided. Ten members, one guest, and our speaker gathered for food, fun, fellowship, and the business of Optimists!! Ken Graham provided the invocation and Pledge! Thanks Ken! (Someone commented: "Attendance not bad! Ten people at a meeting in Treynor is a CROWD!! -- A quality crowd!")

--Les Harvey talked about the sponsorship of the College World Series in Baseball and the role of our Club as part of the Metro Area Optimists TEAM!! A CRITICAL FACTOR AT THIS TIME: The new addition to Rosenblatt Stadium has provided a number of season reserved seats and season box seats. (It is nearly impossible to purchase these since purchasers use them year after year.) IF YOU WOULD LIKE TO "BUY IN NOW" let Les Harvey know immediately. There is a great demand for these!!

--You will get more information about the Tickets we have for sale later. We hope you will purchase a book and/or sell some to people who want them. The books include 10 tickets general admission.

---Books sell for \$20. Admission at the gate is \$3.00. Purchasers of books save \$10 on the ten tickets. Contact Les to get tickets or to pick up books to sell.

--Bryce Strohbahn won \$13.75 in the attendance drawing. (Note: He had left early but decision was made to "pay off" since he was here. (There was some question about his insubordination to the Sgt.-at-Arms as he left. Something about not wearing a badge!)

--Fines assessed three members for not wearing a badge.

NOTE: We have 16 cisterns or wells on our list to be filled. Watch for schedule!!

PROGRAM: Steve Stover introduced his wife Janice. Steve will travel to China to represent USDA Soil Conservation Service on a consultant and teaching tour of most of Eastern China. Steve will leave May 4 and will be gone three weeks. He will renew many acquaintances of Chinese Officials who have visited his office in past years. It is a working trip and he will be "roughing it" throughout rural China, especially along the Yellow River and its flood plain. Steve provided a comprehensive briefing on the trip including: itinerary, reasons for going, probable activities, probable officials he will work with, the mutual value to China & USA. If you weren't present YOU MISSED A GOOD ONE!! Have good trip!!
