---Meeting 7:30 in Treynor Record Office

SUMMARY: CLUB MEETING MAY 21, 1988

Pres. Wm. presided as 25% of the membership gathered for food, fun, fellowship, and the business of Optimists. Sec./Treas. Ken provided the invocation and led the pledge. (Thanks Ken!) Bryce Strohhenn announced he had passed his test at the "First Responder Level" in the Treynor Fire Department Rescue Program!! Congratulations Bryce!! Note: John Sealock has dropped his membership. Congratulations to fathers and mothers or uncles & aunts who had girls on the impressive track team which qualified for and went to State Meet Saturday!! Jim Clausen & Diane, Mick & Judy Gutttau, David & Ardis Sevcik.

---In the attendance drawing Rick Morton forfeited \$4.00. Sgt.-at Arms Keith found no reason for fines. President Wm. announced: Board of Directors Meeting Monday (May 23---too late for you to attend if reading this.)---We are planning a fund raiser, pancake breakfast. Watch for details. (Possibly June 12 if all details can be worked out.)

---Discussion: Question as to who organizes, carries out, and pays for the boys and girls soccer teams in Treynor? Do they have insurance?

---Same question about the baseball teams for youngsters?

QUESTION: Who is "watching out" for the growth and welfare of the community at large? (Beyond the official functions of City Council; School Board, Fire Department, Police Department)

SUGGESTION: There is no organized, community-wide, action or effort to promote the growth and welfare of the community!! A number of "groups" and/or organizations do their individual and separate "thing" regularly but little benefit accrues to the community at large!! The COMMUNITY NEEDS AN OPPORTUNITY TO PROFIT FROM THE CONCEPT OF SYNERGY: i.e.: If all 'interests' of the community could combine efforts and work toward a PLAN FOR COMMUNITY GROWTH & WELFARE, the results would be many times those which are accruing from the isolated activities of the various interest groups or organizations.

QUESTION: Could the Optimist Club be the catalyst which causes this to happen? ANSWER: Yes! QUESTION: Will it happen? ANSWER: That's UP TO YOU!!

DON'T FORGET THE HORSE SHOW!!

JULY 9--Saturday!!---- THINGS TO DO!

Hold Sat. PM from 3 to 11 to work!! Plan to help Fri. nite to set up the arena at Carson.

----AND: Make contacts with people who might want to be sponsors by paying from \$15 to \$60. Get commitment from them. This is where the profit from the show comes!! Everyone's input is needed!!
