Ensemble Acting

Kari Ticer and Taylor Sklenar presented their Ensemble Acting selection for the All-State Speech Festival at the Treynor Optimist Club on February 12. Their selection is by Mark Twain, titled "The Dairy of Adam and Eve." It was a very rousing production. They have been selected for the All-State Festival to be held in Ames, Iowa on February 19.

Treynor took nineteen groups to the district contest and fifteen of those groups advanced to the state competition. They are now working on individual speeches.
